

1. **What types of bank accounts do you offer?**
 - We offer a variety of accounts including savings accounts, checking accounts, fixed deposits, and more to cater to different customer needs.
2. **How can I open a bank account?**
 - To open a bank account, you can visit any of our branches with valid identification documents, proof of address, and a completed application form. Alternatively, you can open an account online through our website or mobile app.
3. **How can I reset my online banking password?**
 - If you've forgotten your online banking password, you can reset it through the "Forgot Password" option on the login page. You will be required to verify your identity via email or phone number.
4. **What is the process for applying for a loan?**
 - You can apply for a loan by visiting a branch or applying online. You'll need to provide documents such as your identification, income proof, and any other details required for loan approval.
5. **What are the interest rates on savings accounts and fixed deposits?**
 - Interest rates vary depending on the account type and the tenure. Please visit our website or contact our customer support for the latest rates.
6. **How do I check my account balance?**
 - You can check your account balance using online banking, our mobile banking app, or by visiting an ATM or bank branch.
7. **What should I do if my debit or credit card is lost or stolen?**
 - Immediately report the loss or theft of your card by calling our customer service hotline. We will block the card and issue a replacement.
8. **How can I apply for a credit card?**
 - You can apply for a credit card by visiting our branch or applying online through our website. Eligibility criteria, including income level and credit score, will be considered during the application process.
9. **What are the fees for international money transfers?**
 - Fees for international money transfers depend on the amount being transferred, destination country, and the service used. For more details, you can check the fee schedule on our website or contact customer support.
10. **How do I set up automatic bill payments?**
 - You can set up automatic bill payments through online banking or our mobile app by linking your bills to your account and choosing the payment frequency.
